# Construction Activities – June 2020

Look for the following construction activities to occur this month.

**WEST AREA**
- Brighton Boulevard reduced to one lane in each direction under I-70 for interchange reconstruction
- Continue to construct the lowered section north of 46th Avenue between Brighton and Colorado boulevards
- Close York Street a half-block north of 46th Avenue to construct a bridge; this closure will begin once Josephine Street opens
- Continue to construct the bridge on Josephine Street a half-block north of 46th Avenue
- Continue to construct the bridge on Fillmore Street a half a block north of 46th Avenue
- Continue the rebuilding of the Steele/Vasquez and I-70 interchange, including construction of the Steele Street bridge
- Westbound I-70 off-ramp to Steele Street to permanently close
- Eastbound and westbound I-70 to close between Steele Street and I-270 for one weekend to demolish the old Colorado Boulevard Bridge
- Continued closure of 46th Avenue between Steele and Garfield streets to construct the BNSF railroad bridge

**CENTRAL AREA**
- Continued rebuilding of the Colorado Boulevard and I-70 interchange
- Traffic shifting onto new Colorado Boulevard bridge
- Continued closure of Dahlia Street under I-70 for bridge construction
- Continued closure of Dahlia Street at Stapleton Drive to rebuild the intersection
- Holly Street on-ramp to westbound I-70 to be relocated west of Forest Street, the on-ramp west of Dahlia Street will permanently close
- Continued closure of Monaco Street under I-70 for bridge construction
- Continued closure of Monaco Street at Stapleton Drive South to rebuild the intersection

**EAST AREA**
- Continued restriction of lanes on I-70 between Quebec Street and Chambers Road for roadway work
- Close the Quebec Street on-ramp to eastbound I-70 for one weekend

These activities are weather-dependent and subject to change.
